

OFFICE OF THE REGISTRAR

REGISTRATION NOTICE TO STUDENTS ON ATTACHMENT

The University has noted with concern that students on work-related learning are failing to register on set deadlines. All students on work-related learning are therefore reminded to register for this current semester (Semester 2 2021). Students who fail to register by 31 January 2022 will automatically be deferred to the next semester. Please register and avoid consequences that are detrimental to your interests.

Be guided accordingly.
